Geocache Placement Guidelines (MUST be read to individual registering)

1. A geocache must be registered with the BCCB office BEFORE being posted on the geocaching website.
2. The cache container must be clearly marked on the outside with Geocaching.com and the name of the cache.
3. All Groundspeak guidelines must be followed.
4. In the cache description, it must include the following:
 - a) The geocache is a Cache In Trash Out (CITO) area.
 - b) Hunting is allowed in many Bremer County parks and all wildlife areas at certain times of the year.
 - c) A note saying that the cache is registered with the Bremer County Conservation Board.
5. Caches are off limits in prairie areas where prescribed burning may occur.
